Clarification for 4.2.4

In the SSR, there is a mention of Library books expense of Rs. 6, 39,202.00 for the academic year 2017-18. The expense, in an oversight, is rectified and reduced to Rs. 3, 49, 363.00 for the Library books purchase for the academic year 2017-18 which reflects an actual expense for the same purpose.

In our earlier submitted excel sheet for criterion 4.2.4, contains "Expenditure on the purchase of journals" (Column: 2). This expenditure includes expenditure on subscription to e-journals and other e-resources (Column: 4). So, we have rectified the same excel sheet accordingly and also we have changed our HEI Input.
